CLAUSE 4 - INSPECTION

The equipment, supplies and services furnished shall be exactly as specified in this Lease, free from all defects in manufacturer's design, workmanship and materials, and, except as otherwise provided in this Lease, shall be subject to inspection and testing by the University at all times and places. If the Lessor is unable or refuses to correct such items within a time deemed reasonable to the University, the University may terminate the Lease in whole or in part. The Lessor shall bear all risks as to rejected equipment, supplies and services and, in addition to any costs for which the Lessor may become liable to the University under other provisions of this Lease, shall reimburse the University for all transportation costs, other related costs incurred, or payments to the Lessor in accordance with the terms of this Lease for unaccepted equipment, supplies and services. Any claim of the Lessor for an adjustment under this Article must be made in writing within thirty (30) days from the date of receipt notification of such change unless the University waives this condition in writing. Nothing in the Article shall excuse the Lessor from proceeding with performance of the Lease as changed hereunder.

CLAUSE 8 - TERMINATION

The University may at its option, by written notice stating the extent and effective date, terminate this order at the anniversary date of the Lease or at the end of any fiscal year (September 30) in whole or in part in the event the funding agency does not appropriate sufficient funds to continue the lease payments.

The University may by written notice terminate this Lease for the Lessor's default, in whole or in part, at any time, if the Lessor refuses or fails to comply with the provisions of this Lease, or so fails to make progress as to endanger performance and does not cure such failure within a reasonable period of time, or fails to make deliveries of said equipment or supplies or perform the services within the time specified or any written extension thereof.

In the event the University defaults in the payment of any amount due or to become due under the terms of the Lease or defaults in the performance of any of the terms and conditions hereof, all the University's rights hereunder as to use and possession of the equipment shall, at the option of the Lessor, terminate and the Lessor shall become entitled to retake possession of the property, provided however, that in such event neither the Lessor nor the University shall have the right to rent said equipment to any third party so long as it remains on the premises of the University.

CLAUSE 9 - TITLE

The Lessor covenants that it is the sole owner of said property, and that no other person, party, firm or corporation has any right, title, interest in or to same and that during the term of this Lease said the Lessor will not sell or encumber said property, or any interest therein, except subject to the rights given the University by virtue of the Lease. Title to said property, including any accessories and devices furnished by the Lessor except those subsequently purchased by the University, vests in the Lessor, and said property may be removed by the Lessor at or after termination of this Lease unless purchased by the University pursuant to its Purchase Option, if any.

CLAUSE 10 - RISK OF LOSS

During the period of time that property covered by this Lease is in the possession of the University, the University (and its customers, if installed on the University's customers' premises) shall take good care of the property and the University shall be responsible for any loss of or damage to the property caused by the University while in its possession and control, unless such damage or loss is a consequence, directly or indirectly of intentional or negligent acts or omissions of the Lessor or the Lessor's agents.

CLAUSE 11 - PAYMENT

Unless otherwise provided for in this Lease, lease charges shall be invoiced in arrears and shall be payable thirty (30) days after the end of the period for which the charges accrue or thirty (30) days after the University's receipt of invoice whichever is later.

The Lessor alone shall pay any license fees, assessments, sales, use and other taxes lawfully imposed during the term hereof upon the equipment, supplies or services furnished pursuant to this Lease.

CLAUSE 13 - PROPERTY TAX EXEMPTION

The Lessor agrees to cooperate with the University and do all acts reasonably necessary and appropriate to secure and maintain tax exemption of the property leased hereunder pursuant to Article 13, section 3 of the California Constitution. The Lessor agrees to apply the amount of any reduction of tax resulting from such exemption as a credit against rental payments otherwise due by the University to the Lessor hereunder.

CLAUSE 14 - WARRANTY

The Lessor warrants that said equipment, including accessories, will be in good operating condition when installed and that any subsequent defects in design, materials or workmanship during the term of this Lease will be corrected by the Lessor at its sole expense. In the event of defect in design, material, or workmanship during the term of the Lease, the Lessor will assert any Manufacturer's Warranty in effect between the Lessor and the Manufacturer at the time the defect becomes apparent. The Lessor shall also assign to the University, in accordance with the terms of service and maintenance under this agreement, any and all of the manufacturer's warranties expressed or implied, issued on or applicable to each unit of equipment covered hereunder in the event service and maintenance is not covered under this Lease. In such an event, the Lessor shall authorize the University to obtain all warranties and services furnished in connection therewith by the manufacturer. The Lessor will inform the University of the terms and conditions of the manufacturer's warranty in effect on the commencement date of this Lease, and shall execute, if applicable, such documents of assignment as the University may reasonably request and will otherwise use its best efforts to make available to the University all of its rights under the manufacturer's warranties on the equipment.

CLAUSE 15 - PROPRIETARY RIGHTS INDEMNITY

In addition to FAR 52.227-3 Patent Indemnity, the lessor shall indemnify, defend, and hold harmless University, its officers, agents, and employees against all losses, damages, liabilities, costs, and expenses (including but not limited to attorney's fees) resulting from any judgment or proceeding in which it is determined, or any settlement agreement arising out of the allegation, that Lessor's furnishing or supplying University with parts, goods, components, programs, practices, or methods under this order constitutes an infringement of any patent, copyright, trademark, trade name, trade secret, or other proprietary or contractual right of any third party. The foregoing shall not apply unless University has informed Lessor as soon as practicable of the suit or action alleging such infringement. Lessor shall not settle such suit or action without the consent of University. University retains the right to participate in the defense against any such suit or action.

CLAUSE 16 - TRANSPORTATION AND INSTALLATION

Unless otherwise provided for in this Lease, the Lessor will be responsible for all transportation and handling costs related to the shipment to and from the University of the leased equipment. Should the equipment require specialized installation, the Lessor will provide the required technical assistance at no charge.

CLAUSE 17 - SERVICE AND MAINTENANCE

In the event this Lease includes service and maintenance of said equipment, the Lessor will provide such service and maintenance required to keep said equipment in good working condition throughout the term of Lease. The service and maintenance will consist of not less than: (1) periodic cleaning, and adjustments in the mechanisms and replacing unserviceable parts, and (2) emergency repair service, including replacement of unserviceable parts. In order to perform maintenance service hereunder the Lessor shall have reasonable access to the leased equipment to the extent practical in consonance with operational requirements. The Lessor agrees that its failure to provide service and maintenance to keep the equipment in good operating condition shall result on a credit of 1/30th of the monthly lease payments for every twenty-four (24) hour period or portion thereof following the first twenty-four (24) hours after notification to the Lessor that the equipment is inoperative.

If this Lease does not include service or maintenance, the University will be responsible for general maintenance and repair and protect said equipment from deterioration, other than normal wear and tear, and will not use the equipment for any purpose other than that for which it was designed during the term of the Lease.

CLAUSE 18 - ALTERATIONS

The University or its authorized agents may make alterations or install attachments to the equipment and the Lessor shall be so notified. In the event that such changes substantially increase the cost of maintenance, mutually agreeable arrangements for additional maintenance service shall be made on an individual installation basis. Such alterations or attachments which are not the property of the Lessor shall be removed immediately after discontinuation of Lease (unless the University elects to exercise its Purchase Option) and the equipment restored to the prior configuration (ordinary wear and tear only excluded) at the University's expense. The Lessor shall inform the University of any provisions in the manufacturer's warranty which may cause the warranty to be affected by any such alterations or attachments.

CLAUSE 19 - LESSOR'S LIABILITY AND INSURANCE REQUIREMENTS

(Applicable to work involving Subcontractor's performance at University or Government-owned sites or facilities.)

A. Indemnification. The Lessor shall defend, indemnify, and hold harmless the University, its officers, employees, and agents, from and against all losses, expenses (including attorney's fees), damages, and liabilities of any kind resulting from or arising out of this Lease and/or the Lessor's performance hereunder, provided such losses, expenses, damages, and liabilities are due or claimed to be due to the negligent or willful acts or omissions of the Lessor, its officers, employees, agents, subcontractors, or anyone directly or indirectly employed by them, or any person or persons under the Lessor's direction and control.

The following modifications are made to the AAA rules: (1) the arbitrator shall be neutral and appointed by the AAA.; (2) the location for all arbitrations shall be in Alameda County; and (3) each party to the arbitration shall pay its pro rata share of the arbitrator's fees not including counsel fees or witness fees or other expenses incurred by a party for its own benefit.

The parties shall consider the use of a form of alternate disputes resolution (ADR), including non-binding mediation and binding

arbitration, for any unresolved dispute with a value of \$100,000 or more. In the event that ADR fails or is not used for such disputes, the parties may thereafter pursue any remedy they may have, at law or in equity, in a court of competent jurisdiction, in accordance with the provision of these General Provisions entitled *GOVERNING LAW AND VENUE*.
