

Site Environmental Report for 2008 Reader Survey

To our readers:

The annual *Site Environmental Report* publishes the results of environmental monitoring at the Lawrence Berkeley National Laboratory and documents our compliance with federal, state, and local environmental regulations. Please take a few moments of your time to complete the following reader survey:

- | | | | | |
|---------------------------------------------------------------------|---------------------------------------|---------------------------------------|----------------------------------|--------------------------------------|
| 1. Is the writing | <input type="checkbox"/> too concise? | <input type="checkbox"/> too verbose? | <input type="checkbox"/> uneven? | <input type="checkbox"/> just right? |
| 2. Is the technical content | <input type="checkbox"/> too high? | <input type="checkbox"/> too low? | <input type="checkbox"/> uneven? | <input type="checkbox"/> just right? |
| | | | <u>Yes</u> | <u>No</u> |
| 3. Is the report comprehensive? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| (Please identify any missing issues in the comments section below.) | | | | |
| 4. Do the illustrations help you understand the text better? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| Are the figures understandable? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| Are there too few? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| Are there too many? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| 5. Are the data tables of interest? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| Would you prefer short summaries of data trends instead? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| 6. Is the background information sufficient? | | | <input type="checkbox"/> | <input type="checkbox"/> |
| 7. Are the methodologies described reasonably understandable? | | | <input type="checkbox"/> | <input type="checkbox"/> |

Other comments:

Completed surveys can be returned to Berkeley Lab by mail, fax, or electronic submission. Mailed surveys should be addressed to:

Regina Lackner
Lawrence Berkeley National Laboratory
1 Cyclotron Road, Mailstop **85B0198**
Berkeley, California 94720-8272

Emailed surveys to: RELackner@lbl.gov

Faxed surveys should be sent to Ms. Lackner's attention at **(510) 486-6603**.
