

For All MSD PIs:

I have reviewed the impact of the component of the research described in this proposal that will be performed in my laboratories under my direction on the environment and on the health and safety of the staff, students and visitors who will do the work. I certify that proper procedures, equipment, and facilities will be employed and all staff will be appropriately trained to carry out this work in a safe and environmentally benign manner.

For Hill PIs only:

I further certify the following for all my research projects, regardless of funding source, that are pursued in LBNL space.

- Proper procedures, equipment, and facilities will be employed and all staff will be appropriately trained to carry out the work in a safe and environmentally benign manner.
- Further, I have personally inspected all of the laboratory space under my direction and have given a safety presentation to all of the staff, students, and visitors under my supervision at least once in the past year.
- In determining that all the procedures, permits, authorizations, and/or approvals required for my new and ongoing projects are in place I consulted with LBNL Pub 3000, the MSD Project Hazard Guide, or the equivalent.
