

NOTICE OF ERRATUM

**Draft Environmental Impact Report
for the proposed
Richmond Bay Campus Long Range Development Plan
State Clearinghouse No. 2013012007**

To: Responsible agencies, interested organizations, and members of the public

The University of California (UC) has circulated for agency and public review a Draft Environmental Impact Report (EIR) for the proposed Richmond Bay Campus Long Range Development Plan (LRDP). The Draft EIR is prepared pursuant to the California Environmental Quality Act (CEQA) and the University of California's guidelines on implementing CEQA. This Draft EIR is circulated for a 60-day review and comment by responsible agencies as well as by other interested agencies and the public. The comment period began on November 15, 2013 and will end on January 13, 2014.

The Draft EIR includes two graphic figures (Figures 4-12 and 4-13) that contain errors in content and/or labeling. Figure 4-12 (Existing and Future Bicycle Network) and Figure 4-13 (Existing Transit Service) are presented in their correct form in this Notice of Erratum, which is hereby presented for your information and incorporated by reference into the Draft EIR.

This Notice of Erratum and the corrected Figures 4-12 and 4-13 are also available on-line, along with the Draft EIR, at:

http://richmondbaycampus.lbl.gov/environmental_documents.html.

If you have any questions about this Notice or the RBC LRDP Draft EIR CEQA process, please contact me by e-mail at RBC@lbl.gov or call me at 510-486-5257.

Sincerely,

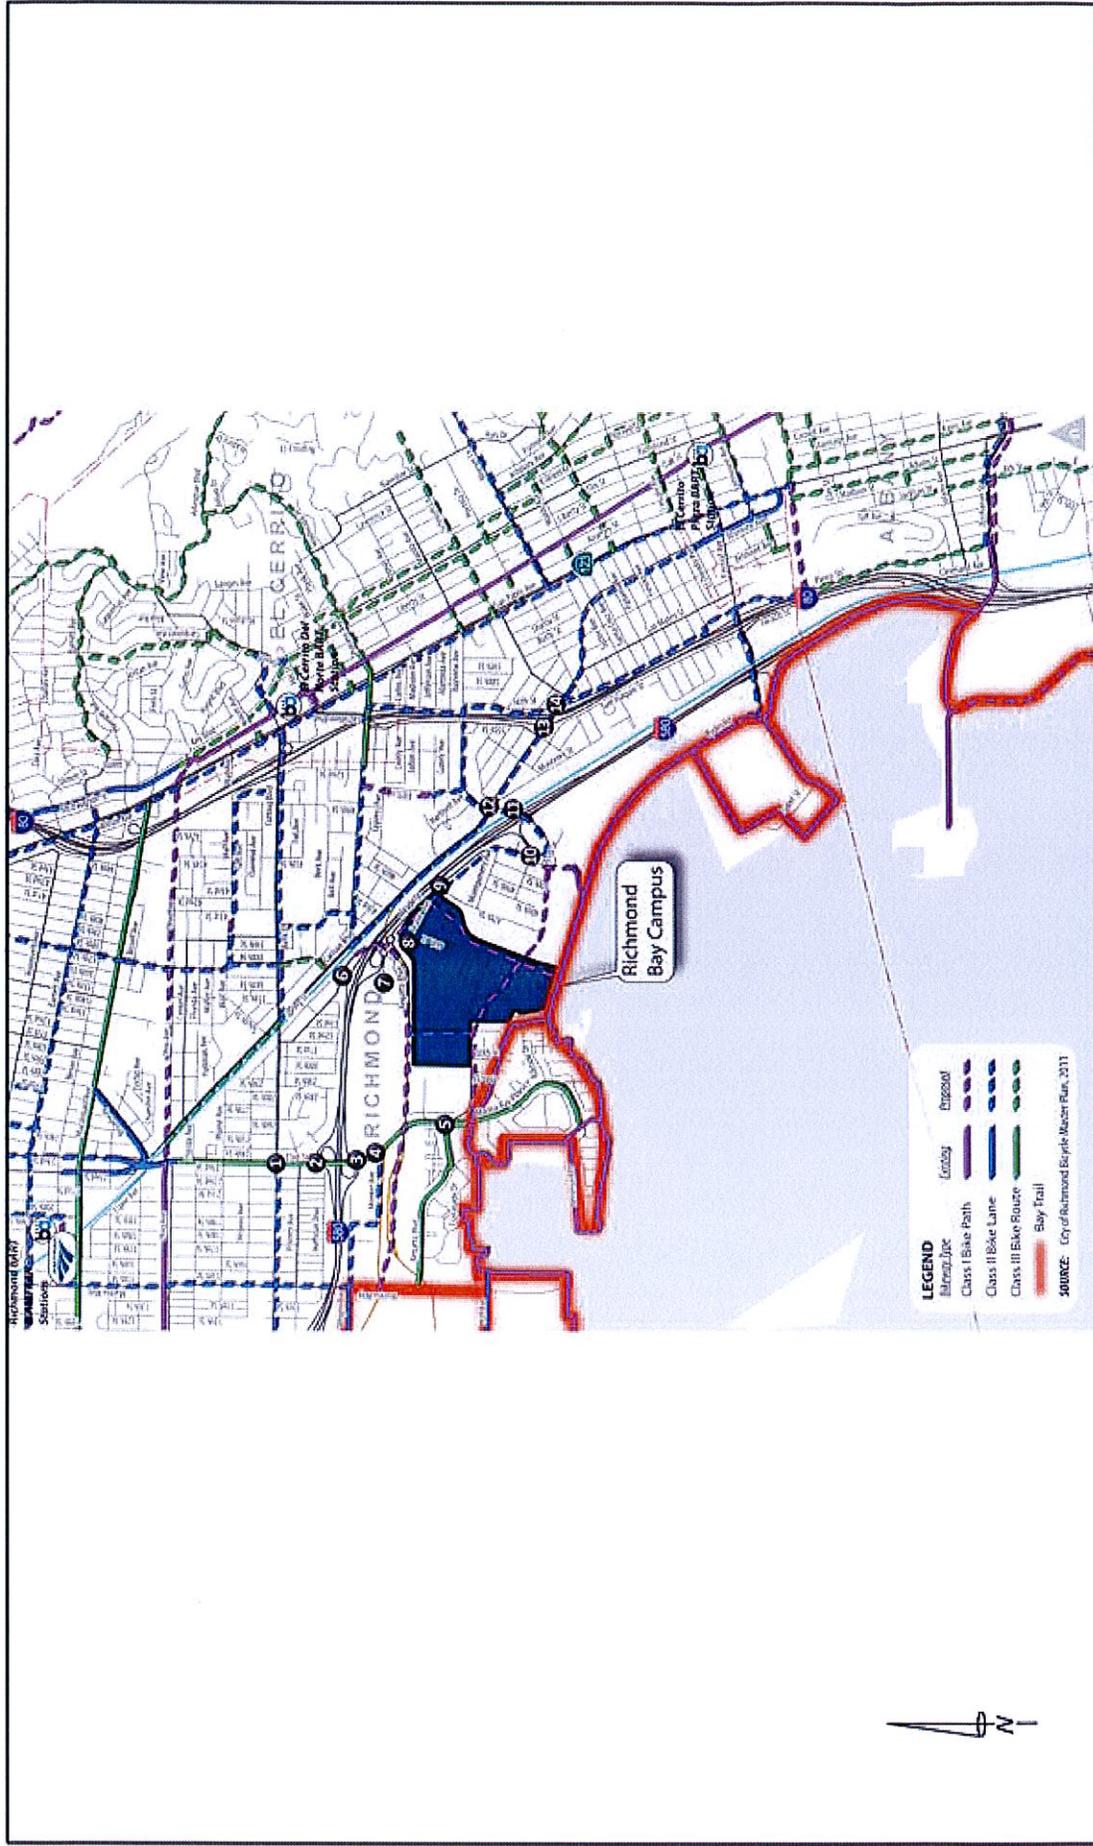

Jeff Philliber, Environmental Planner
UC Lawrence Berkeley National Laboratory
